## Congratulations

Virginia District 15 and Caroline County Little Leagues welcome the Virginia Little League Baseball District Champions to our home. We congratulate you on reaching this level of the Little League® International Tournament and are excited to introduce you to historic Caroline County. Caroline County is in the North Central part of Virginia, approximately 30 miles north of Richmond, our state capital. It is the birthplace of the renowned racehorse Secretariat, winner of the 1973 Triple Crown, and the site of many key historical events. We are certain you will be able to find something to do and learn something new away from the ballpark while you are visiting our area. The County was named for Queen Caroline of Ansbach, wife of King George II of Great Britain. Established in 1728, it occupies 549 square miles and has a population of 32,640 (2023 census). The County Seat is Bowling Green, home to Caroline County Little League and our tournament. For more information, please visit the Caroline County Visitor's Center, located at 23724 Rogers Clark Boulevard, Ruther Glen, Virginia, or their website, [www.visitcaroline.com](http://www.visitcaroline.com) or view and download the Visitor Guide from the State Tournament link on the Virginia District 15 website, <https://www.vadistrict15.org/>.

Good luck to all the teams and let's make this your best All Star Tournament experience ever!

All teams must register with the Tournament Officials at the Virginia Credit Union Stadium between 1:00 and 4:00 pm on Thursday, July 17, 2025. Please contact the Virginia District 15 DA, Jim Roberts, if you cannot register during this time.

Please be prepared to present the following items:

- Your team's up-to-date tournament eligibility affidavit signed and approved by your League President and District Administrator. The affidavits will be reviewed, approved, and returned by the Tournament Director prior to your team playing their first game in the tournament. All managers and coaches must have proof of current (NFHS) Concussion Training Certification in the Notebook along with the Diamond Leader Certificate.
- Two (2) copies of the medical release form for each player on your roster. One should be with the player verification form in the notebook and a set should be retained by the team manager throughout the tournament in case of a medical emergency.
- Each team is responsible for making lodging arrangements. Participating leagues/teams are responsible for making hotel reservations and for any damage that occurs to rooms or other hotel property. If damage occurs to a room during the team's stay, the league/team/individual party is responsible for making restitution with the hotel.
- Team roster form (included in this packet) with names of all players and **official** coaching staff (Manager and up to two (2) coaches) as they would like to be announced. Please include player jersey numbers and double check the spelling of all players' names. The roster information will be used to customize the souvenir tee shirts.
- Your District Championship Banner.
- A welcome packet/goody bag will be provided for each player.

**Note:** Each team MUST have their approved tournament eligibility affidavit to participate in the tournament. Please take the time to review it before traveling to the tournament site and ensure all necessary documentation is included. This includes Diamond Leader Training and Concussion Awareness Training Certification from the NFHS for all Managers and Coaches.  
**Your team will not be permitted to register, practice or participate in the tournament without a valid, signed, and approved affidavit. No Exceptions.**

## Opening Ceremony

The Opening Ceremony will be held at the Virginia Credit Union Stadium. In case of inclement weather, the opening ceremony will still be held at the stadium as there is ample space and dry seating. The Opening Ceremony is scheduled to begin promptly at 5:30 pm with team introductions. Team Managers are requested to have their teams in jerseys or appropriate tee shirts, shorts or jeans/slacks, and sneakers lined up and ready to be introduced by 5:15 pm. Additional details will be provided at check in. Team uniforms are not required or expected. Please ensure you have your District Championship Banner to display as your team is introduced. Team pictures may be taken. The teams will line up and parade onto the field and line up around the infield. The concession stand will be open with a limited menu of food and beverages for purchase.

Following the Opening Ceremony, all tournament participants are encouraged to enjoy the facility and participate in traditional Pin Trading with fellow competitors.

## Pre-Tournament Meeting

A mandatory meeting for all managers, coaches, tournament officials, and umpires will be held at **7:00 pm** in the designated room at the Virginia Credit Union Stadium following the opening ceremony. It is expected that this time will be used for participants to meet other teams and players and exchange commemorative pins.

We will review the tournament rules as well as the expectations and logistics of play: warm-up schedule, pre-game announcements, substitution process, etc.

All 2025 Little League Baseball Tournament rules will be enforced and adhered to **without** exception. Please ensure all equipment brought to the tournament site meets Little League regulations and specifications. **Any equipment removed from the tournament will not be returned to the respective team until after their last game in the tournament.** Neither the Tournament Director nor Umpires in Chief have the authority to waive any rule without the express permission and approval of the Tournament Committee in Williamsport. All managers, coaches, players, and fans are encouraged to review the Tournament playing rules and Little League safety rules before they arrive to help prevent any surprises or misunderstandings. All managers and coaches are reminded to ensure they have completed NFHS Concussion Awareness Training within the last year and the certificate is included in the Affidavit Notebook.

## **Tournament Playing and Practice Fields**

### **All Tournament Games and Practices will be held at the Caroline County Little League Complex:**

All games will be played at the Caroline County Little League Field. The Concession Stand will be open and there is ample parking. Bleacher seating is available, and lawn chairs are welcome. Playing fields are multi-purpose and feature skinned infields, grass outfields, and permanent pitcher mounds.

#### **Caroline County Little League Complex**

15496 Paige Road  
Bowling Green, VA 22427  
(804) 633-4332

Caroline County Little League Website: <https://www.carolinecountylittleleague.com/>

Practice fields and batting cages are available at the tournament site. Team Managers will be permitted to reserve a practice field/batting cage when registering the team. No smoking or tobacco use is permitted at or near the playing fields, which includes vaping and chewing. Smoking is permitted in the parking area(s). No alcohol or illicit drugs shall be brought to the tournament site. Pets are not allowed at the field. We strongly recommend you leave your pets at home.

## **Admission and Parking Fees**

There will not be any admission charges or parking fees during the Little League Baseball Tournament. However, we do “pass the hat” during each game and ask tournament spectators and fans to donate what they can, in cash, to help defray tournament expenses. Thank you.

## **Spectator Policies and Procedures**

Bleacher seating is available, and lawn chairs are welcome.

No noise makers of any kind may be used during tournament games; this includes cowbells, whistles, boat horns, etc. Special announcements or “walk up” songs by fans are not permitted.

Individuals wishing to record or live stream games for personal use are not permitted to affix any equipment to the playing facility, including but not limited to fencing, dugouts, stanchions, or light poles. If fans wish to stream a game, it must be viewed through a personal social media account for private use only and may not be on the open internet.

No smoking or tobacco use is permitted at the field or on school grounds, which includes vaping and chewing. No alcohol or illicit drugs shall be brought to the tournament site. Pets are not allowed at the field at any time.

## **Tournament Game Procedures and Guidelines**

The tournament Format will be Pool Play with 16 teams participating. The pools were drawn randomly at the Virginia State Little League Association Meeting on Saturday, 22 March 2025. There will be four (4) pools with four (4) teams in each pool. Each team will play the other teams in the same pool, with games on Friday, Saturday, and Sunday, 18 through 20 July. The top two (2) teams from each pool will advance to the Championship Single Elimination Bracket, which will be played on Monday and Tuesday, 21 and 22 July. All games shall be conducted in accordance with the 2025 Little League Baseball® Tournament Rules and Guidelines.

Teams should plan to arrive at the field at least 75 minutes prior to game time and should report immediately to the Tournament Director. Team managers will present the team's affidavit (only) with the pitching record to the Tournament Director. The managers will declare ineligible pitchers for the game about to be played. If not already done, a coin toss will decide the home and visiting teams. The team that has traveled the farthest will call the toss. The winner will choose home or visitor. The Home team will occupy the first base dugout; visitors will occupy the third base dugout. No exceptions.

Teams will have 10 minutes of infield practice prior to each game (as time permits). A **rostered** coach or manager must be present before any player can take batting practice, infield practice, or can occupy the dugout. Batting helmets must be worn when conducting batting practice. Non-rostered adults or children may **not** enter the dugout, the batting cage, **or** the playing field at any time before or during games. During the games and when warming up pitchers or conducting infield practice, catchers must wear an approved catcher's mask with a dangling throat protector.

When time allows, each team will be announced 10 minutes prior to every game, with the visiting team being announced first. Announcements will be followed by the National Anthem or the Little League Pledge. The plate conference with managers, umpires, and the Tournament Director will follow. Coaches and players shall remain in the dugout until the plate conference is concluded and the UIC instructs the defensive team to take the field. Base coaches may take their positions when directed by the UIC after the "throw down" to second base.

Every substitution, position change, etc., **must** be made from inside the field by the manager to the official scorer while accompanied by the umpire-in-chief. Once a change is announced, it is official. The manager is **always** 100% responsible for ensuring the change is proper and legal. The manager is also responsible for ensuring that mandatory play is met by all rostered players present at the game site.

After the game is over, be sure the pitchers' pitch counts are properly recorded in your affidavit and acknowledged by the manager, official scorer, and the Tournament Director. Once you leave the field, the affidavits may not be changed. It is good practice to announce ineligible pitchers at the coin toss and Plate Conference.

## Concession and Vendor Information

Each team is expected to provide food and beverages for their players, managers, and coaches throughout the tournament. Coolers may be brought to the tournament site, but grilling or open fires are not permitted at any time at the park. Food concessions will be available throughout the tournament and the Concession Stand accepts cash and/or debit/credit cards as payment. The current Concession Menu is provided below for your information planning.

## Team Equipment

Each team must provide their own equipment. District 15 and CCLL will aid in case of emergency. Please inspect your equipment before traveling. In accordance with Little League Baseball® rules, **the team manager is responsible for ensuring the players are properly equipped and all equipment meets Little League® standards, rules, and regulations.** **Tournament officials will not be inspecting equipment prior to the first game or any game.** Managers are encouraged to inspect all equipment prior to reporting to the tournament site to ensure it is authorized and safe. Some items to look for include but are not limited to:

- Helmets must be NOCSAE-approved and cannot be modified.
  - Altering a helmet in any way (drilling holes, removing padding, etc.) may cause a manufacturer to void the NOCSAE certification of that helmet, making it illegal (and unsafe) for use in Little League play. If you have altered your helmet or intend to, please contact the helmet manufacturer to determine if altering the helmet will void the NOCSAE certification.
  - Little League International issued a letter to all youth batting helmet manufacturers for clarification on whether adding C-flaps to their helmets voids their NOCSAE certification. Manufacturer responses are posted on Little League International's website, [www.LittleLeague.org/HelmetAdditions](http://www.LittleLeague.org/HelmetAdditions), where you can find more information about helmet attachments as it becomes available.
  - Tournament officials will not be checking helmets to ensure they are safe and have not been altered. It is the team manager's responsibility to ensure all equipment is safe and ensure the manufacturer's warranty has not been voided.
- Catcher's masks must be NOCSAE-approved and must have a dangling throat protector. This includes hockey-style masks. If the throat protector does not dangle when the mask is turned to face the ground, it is not a dangling throat protector.
- Bats must be baseball bats which meet the USA Baseball Bat standard (USABat) as adopted by Little League. Non-wood bats for this division shall bear the USA Baseball logo signifying the bat meets the USABat – USA Baseball's Youth Bat Performance standard. ALL BPF – 1.15 bats are prohibited. Additional information is available at [www.LittleLeague.org/BatInfo](http://www.LittleLeague.org/BatInfo).

Equipment that is damaged or not permitted will be removed from the dugout and will be held by the District 15 Staff until your team departs from the Tournament. Please leave non-Little League conforming equipment at home.

## Mementos

Each rostered player and coach will receive a commemorative pin. Teams are encouraged to bring Little League pins from their home District or League for trading. Custom 2025 Virginia State Little League Baseball Tournament Tee shirts, pins, and other items will be available for purchase at the tournament site. A Tee Shirt Vendor has been contracted to provide custom commemorative tee shirts for tournament participants listing all of the teams and players.

## Pictures

A local professional photographer will be on site to take official team pictures and action photos during the games and they will be available for purchase. **No** unofficial team representatives will be allowed in the dugouts or on the fields during games. Photography or filming is allowed through/over the fence **only**. Teams will be able to schedule team pictures during registration.

## Sportsmanship

Good sportsmanship is often associated with taking a loss gracefully but winning gracefully is just as important. The exposure of children to negative behavior by adults creates a challenge for coaches in stressing the difference between being passionate about a sport and demonstrating extreme negative or hurtful attitudes. Please remind your team's parents and fans of the Parent Code of Conduct and how important it is for adults to set a good example for the ball players. While the Little League® International Tournament focuses on winning to advance in tournament play, it is also important to recognize that all teams earned the privilege to represent their league and their District in the State Tournament and to enjoy the experience. **Please emphasize the importance of having fun and playing the game with respect, honor and skill, regardless of the outcome of the game.**

## In case you win the State Tournament

As you probably already know and have briefed your team, the winner of the Virginia State Little League Baseball Tournament will earn the privilege of representing the Commonwealth in the Southeastern Region Tournament to determine who gets to play in the Little League Baseball World Series at the home of Little League in Williamsport, Pennsylvania. The SE Region Little League Baseball Tournament is scheduled to begin on xx August in Warner Robins, Georgia. Good luck to our Virginia State Champion.

## Thank You

Thank you for participating in the 2025 Virginia State Little League Baseball Tournament hosted by Virginia District 15 and Caroline County Little League. We hope it was a memorable experience for the players, coaches, and families regardless of the outcome of the games. We also hope you enjoyed your visit to Caroline County and the surrounding area and wish you a safe journey home. Once you arrive home, please visit the Virginia State Little League website and complete a tournament survey. Details are on the preceding pages; the survey is intended for all tournament managers, coaches, and fans. The information gathered will help the local league, District, and State Little League organizations improve the All-Star experience for all ball players, managers, coaches, families, and fans. Thank you.
