GETTING STARTED

Little League History

LOOKING BACK: HOW IT ALL STARTED

- 1939: Founded by Williamsport, PA resident Carl Stotz started with 3 teams: Lycoming Dairy, Lundy Lumber and Jumbo Pretzel. The first season played in a vacant lot
- 1947: Little League expands outside of PA and the first Little League World Series (known then as the National Little League Tournament).
- 1949: Little League expands to 307 US leagues and the Saturday Evening Post does a feature story on the program highlighting the 1948 National Tournament. Carl Stotz is inundated with requests for information about the program.

Little League History

LOOKING BACK: HOW IT ALL STARTED

- 1951: Little League goes international with a league in British Columbia, Canada and grows to 776 programs.
- 1953: The National Little League Tournament is televised on ABC with Howard Cosell handling the play-by-play.

Little League History

LOOKING BACK: HOW IT ALL STARTED

- 1964: Little League is granted a Charter of Federal Incorporation by the U.S. Congress and signed by President Lyndon B. Johnson.
- It provides for incorporation of Little League in all 50 states and endows the program with protective integrity by the U.S. Government.
- This places Little League in the same category as Red Cross, Boy Scouts, Boys Clubs of America and a select group of other agencies similarly chartered.

Little League History

LOOKING BACK: HOW IT ALL STARTED

- 1974: Little League rules are revised to allow participation by girls. Little League Softball and Senior League Softball programs are created.

target. It is a good idea to have them say "ready" once they have
the tee on the target as a reminder each time that at the
target first. The next move is to step directly to the target. The
tee and hand should move in a circular motion. A good reminder is
to tell players that when they take the ball out of their glove their
hands should go past their thigh and then the ball should continue
to go up facing the sky - "thumb to thigh, show it to the sky." They
should release the ball to the target and the ball arm continue to
move to finish the circular motion. Showing this follow through will
prevent them from stopping their arm as soon as they release the
ball. (4 minutes)

4. Step players and call back to the coach. Have each player drop
the tee off to the basket and give another teammate a high five.
(4 minutes)

03 (3 minutes)

3. Call players in and have them sit in the grass. Talk about swinging
a bat. Before teaching, discuss safety rules. They must always keep
the hands on the bat, never throw it and stay in their spots so that
there are no accidents. Demonstrate a swing using cones. (Which is
your favorite hand from throwing baseball? That hand goes on top, the
other (bottom, hand) knee, stand "kneeless", eye on the ball.) Show
that the bat should be held in the fingers and palm of fingers - not
in their palms. Have them put their index finger of one hand into
the palm of their other hand. They should close the hand over the
finger as tight as possible. Once the hand is closed, have the players
try to get their index finger out. Do this again with the index finger
being placed where the fingers meet the hand the second time.
Again have them grip head and try to take their finger out of
the hand. It should be much more difficult to free their finger the
second time. This should demonstrate to the players that using the
fingers is a stronger grip than using the palms. Once they have a
strong grip, have players spread their feet slightly wider than their
shoulders in an athletic position with knees slightly flexed. Have
them take a swing trying to have the bat stay level to the ground.
Encourage them to swing back while staying balanced. Remind the
players that they must watch the ball that they are hitting the whole
time. They should follow through by finishing with their hands up
near their head shoulder and the toes on their back shoe should be
facing the pitcher's mound.

4. Gather players and have them give another player a high five. Talk
about what they learned today and how it will help them be great
ball players. Give the PCA tip of the week, remind the parents of
the next event. (4 minutes)
