Double Checking Eligibility

Sample letter to parents of a child who is to return to a Major Division team, but has not yet signed up.

Dear Parent:

Our records show that you have not signed up your child, Billy Smith, who was a member of the Blue Jays last season.

We must inform you that if Billy is not signed up by Feb. 20 (draft day), he will be released from his team and may not be permitted to participate at Hometown Little League until next year.

Please call the Player Agent, Thomas Jefferson, at 555-6789, as soon as possible, and let us know if he is going to play this season.

- Do this BEFORE tryouts
- Ensure no ineligible player is drafted or placed on a team.
- Contact all players returning to Major Division teams who have not signed up.
- Get statement from the parent(s) if they are not planning to return to your program.

Player Tryouts

- Review league division eligibility
- Prepare a tryout list
 - Assign numbers to players
 - Organize by division
 - Draft numbers affixed to player for identification
- Provide copies to Managers / Coaches in attendance
- Have multiple tryouts

The Draft

Leagues must utilize draft methods outlined in the Operating Manual:

- **Plan A** – existing teams from previous season remain intact with selection of new players being completed in a round-table format: the last-place team of the preceding season gets the first choice in every round of the draft, the next to last place team gets the second selection etc...

The Draft

Leagues must utilize draft methods outlined in the Operating Manual:

- **Plan B** – Total Redraft - redraft of previous season teams, held in two separate parts. 1st Preliminary Draft- Returning players to division are selected 2nd Draft- Players eligible through tryouts are selected to fill remaining rosters (See Alternate method next slide)

The Draft

Leagues must utilize draft methods outlined in the Operating Manual:

- **Plan C** – Blind Draft – Preliminary & Second drafts apply. Players separated by age – names placed in non-transparent container – individually selected at random and placed on team

The Draft

Leagues must utilize draft methods outlined in the Operating Manual:

Alternate Method for Plan B

- Alternative to two separate drafts (one for returning players, and one for new players)

The Draft

Leagues must utilize draft methods outlined in the Operating Manual:

Alternate Method for Plan B

- Conduct a regular draft wherein, if a number of returning Major League players has not been drafted by the time that same number of draft picks remain, those returning players must be the only players eligible from that point forward in the draft.

The Draft

Leagues must utilize draft methods outlined in the Operating Manual:

Example:

- With nine picks left in the draft, there are nine players who were Major League players in the previous season still not drafted for the current year. Those nine players become the only nine eligible players, and must be drafted.

The Draft

- The selection of players for the various teams within a league shall be in compliance with the Little League Draft Selection System as detailed in the Operating Manual.

The Draft

- **NOTE:** All candidates who are league age twelve (12) must be drafted to a Little League Major Division team or to a Little League Intermediate (50/70) Baseball Division or Junior Softball Division Team.

The Draft

- Exceptions can only be made with written approval from the District Administrator, and only if approved at the local league level by the Board of Directors and the parent of the candidate.

The Draft

- Leagues may submit an alternative method to the Charter Committee for consideration, *prior to draft being held*

The Draft

- Team Expansion and Reduction plans are outlined in the Operating Manual -- contact your DA for further assistance
