GETTING STARTED

Little League History

LOOKING BACK: HOW IT ALL STARTED

- 1939: Founded by Williamsport, PA resident Carl Stotz started with 3 teams: Lycoming Dairy, Lundy Lumber and Jumbo Pretzel. The first season played in a vacant lot
- 1947: Little League expands outside of PA and the first Little League World Series (known then as the National Little League Tournament).
- 1949: Little League expands to 307 US leagues and the Saturday Evening Post does a feature story on the program highlighting the 1948 National Tournament. Carl Stotz is inundated with requests for information about the program.

Little League History

LOOKING BACK: HOW IT ALL STARTED

- 1951: Little League goes international with a league in British Columbia, Canada and grows to 776 programs.
- 1953: The National Little League Tournament is televised on ABC with Howard Cosell handling the play-by-play.

Little League History

LOOKING BACK: HOW IT ALL STARTED

- 1964: Little League is granted a Charter of Federal Incorporation by the U.S. Congress and signed by President Lyndon B. Johnson.
- It provides for incorporation of Little League in all 50 states and endows the program with protective integrity by the U.S. Government.
- This places Little League in the same category as Red Cross, Boy Scouts, Boys Clubs of America and a select group of other agencies similarly chartered.

Little League History

LOOKING BACK: HOW IT ALL STARTED

- 1974: Little League rules are revised to allow participation by girls. Little League Softball and Senior League Softball programs are created.
- Little League continues to grow and expand on all fronts, becoming what it is today: the largest organized youth sports program in the world.

Regulations I (b) and I (c) 8 & 9

- Little League Baseball, Incorporated (“LLB”) requires each of its local leagues to conduct a nationwide background check in conjunction with the submission of a Little League Volunteer Application for all managers, coaches, Board Members, and any other persons, volunteers and/or hired workers who provide regular services to a league or have repetitive access to, or contact with, players or teams.

Regulations I (b) and I (c) 8 & 9

- As of August 1, 2018, only a handful of currently effective state statutes mandate background checks for non-school associated activities involving youth sports and athletics. However, certain municipal ordinances and administrative regulations across the country require background checks.
- LLB strongly encourages and recommends that each local league consult with local legal counsel to determine the applicability of, and compliance with, all relevant state and local laws, administrative rules and regulations, and municipal ordinances.

Regulations I (b) and I (c) 8 & 9

- Those states with additional background check requirements either enacted or pending are: *(as of June 16, 2016)*
 - Alabama
 - California
 - Florida
 - Massachusetts
 - Mississippi
 - New Hampshire
 - Oklahoma
 - Oregon
 - Pennsylvania

Regulations I (b) and I (c) 8 & 9

- The “Little League Volunteer Application” must be maintained by the president of the local league’s board of directors for all persons named above, for a minimum of the duration of the applicant’s service to the league for that year.
- We recommend that the League keep the application for 2 years after the volunteer leaves service. Failure to comply with this regulation may result in the suspension or revocation of tournament privileges and/or the local league’s charter by action of the Charter or Tournament Committee in Williamsport.

Regulations I (b) and I (c) 8 & 9

- Little League recommends the volunteer applications and background check information be kept in a secure location.
- After entering the Social Security # into the JD Palatine background check tool, the league can redact any/all personal information from the application.
- JD Palatine can send a link to individuals to complete the data entry online, if they prefer.

Regulations I (b) and I (c) 8 & 9

- Each year Little League International provides 125 free background checks required in the regulation. Any checks completed beyond 125 require a nominal fee. Information on how to utilize this benefit, as well as how to conduct background checks, can be found on the Little League website at:

<https://www.jdpalatine.net/sso/login.taz>

- Occasionally, Sex Offender Registry data may be unavailable for an individual state(s) when you run your background checks. This may occur on the criminal background check tool provided for free by Little League International. If this occurs, you have the option of going immediately to the individual state(s) SOR website or going back and re-running the Sex Offender Registry data on the National Sex Offender Registry website until the data becomes available.

target. It is a good idea to have them say "ready" once they have their eyes on the target as a reminder each time to look at the target first. The next move is to step directly to their target. The ball and hand should move in a circular motion. A good indicator is to tell players that when they take the ball out of their glove their thumb should go past their thigh and then the ball should continue to go up facing the sky – "thumb to thigh, thigh to to the sky." They should release the ball to the target and their feet are continue to move to finish the circular motion. Increasing this follow through will prevent them from stopping their arms as soon as they release the ball. (8 minutes)

01. **Step players and call back to the coach.** Have each player drop their softball to the basket and give another teammate a high five. (8 minutes)

01 (8 minutes)

01. **Call players in and have them sit in the grass.** Talk about swinging a bat. Before teaching, discuss safety rules. They must always keep their hands on the bat, never throw it and stay in their spots so that there are no accidents. Demonstrate a swing using cones. (9) Is it your favorite hand for throwing baseball? Their hand goes on top, the other (left) hand, bend knees, stand "follows", eyes on the ball. Discuss that the bat should be held in the fingers and palm of fingers – not in their palms. Have them put their index finger of one hand into the palm of their other hand. They should close the hand over the finger as tight as possible. Once the hand is closed, have the players try to get their index finger out. Do this again with the index finger being placed where the fingers meet the hand the second time. Again have them get their hand and try to take their finger out of their hand. It should be much more difficult to free their finger the second time. This should demonstrate to the players that using the fingers is a stronger grip than using the palms. Once they have a proper grip, have players spread their feet slightly wider than their shoulders in an athletic position with knees slightly flexed. Their feet and shoulders should be in line with the player's mound. Have them take a swing trying to hit the bat say level to the ground. Encourage them to swing hard while staying balanced. Remind the players that they must watch the ball that they are hitting the whole time. They should follow through by finishing with their hands up near their head shoulder and the bases on their back shoe should be facing the pitcher's mound.

01. **Get other players and have them give another player a high five.** Talk about what they learned today and how it will help them be great tee ball players. Give the PCA tip of the week, remind the parents of the next event. (8 minutes)
